DETAILED ACTION

The following action is in response to the BPAI Decision filed for application 10/720,634 on April 30, 2008.

Election/Restrictions

Since claim 9 is allowable and generic to the elected species, claims 12-17 have been rejoindered.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 1-3, and 6-8 have been canceled.

(Claims 1-3 and 7-8 were withdrawn without traverse on April 15, 2005 and claim 6 depended on canceled claim 5 (as did claims 7-8))

In Claim 9:

on line 4, "the first" has been replaced with --a first--.

Allowable Subject Matter

Claims 9-17 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to show or render obvious the method for shutting down an internal combustion engine as claimed, and particularly including a locking mechanism locking the engine in a predetermined rest position such that the motoring torque is decreasing during a first phase of restart, and including the remaining structure and controls of claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roger L. Pang whose telephone number is 571-272-7096. The examiner can normally be reached on 5:30am to 4:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Charles Marmor can be reached on 571-272-7095. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
